

# Dark Knights Chess Price List

**DKC Goal:** Provide a Premium Service which will allow students to compete at a Championship Level.

**Pricing covers the following services:**

- Content rich Lectures with Lessons prepared by experienced National Master chess Instructor
- Power point Presentations to connect visual learning with lectures
- Homework assignments to reinforce lessons
- Access to other DK Chess Instructors and assistants during tournaments (reviewing and analyzing games)

Dark Knights Chess scholastic programs offer a discounted service to school groups wishing to take advantage of the opportunity. However, you are not required to take lessons from Dark Knights Chess to compete as part of your schools chess team. **All students** are eligible to play at any USCF Scholastic event and can choose to register under their school name or as individuals only. You are not required to take lessons from Dark Knights Chess to compete as part of your schools chess team.
